If, on the day of your exam, you are unable to access the permit electronically for any reason, you must present a paper copy. Review the *USMLE® Bulletin of Information* at [www.usmle.org](http://www.usmle.org) for specific procedures.

1. **SCHEDULE A TEST DATE:** Using the information above, schedule a test date via the Prometric website at [www.prometric.com/USMLE](http://www.prometric.com/USMLE) or call 1-800-MED-EXAM (1-800-633-3926) located in Baltimore, MD, USA, available M-F 8AM-8PM (local time). Provide a valid telephone number and email address when scheduling so Prometric can email you a Confirmation Notice and contact you in the event that your appointment must be rescheduled. The Confirmation Notice contains a Prometric Confirmation Number -- You need this number to **confirm or change** your appointment.
2. **CONFIRM OR CHANGE APPOINTMENT:** Confirm your appointment using your Prometric Confirmation Number one week before your appointment at [www.prometric.com/USMLE](http://www.prometric.com/USMLE) or by calling the telephone number above. You may change (e.g., reschedule, cancel, change test center location) your appointment within the eligibility period noted above. **To avoid an appointment change fee, you must change your appointment 46 or more days before (but not including) the first day of your scheduled test date.** All deadlines are calculated using local time in Baltimore, MD, USA. If you reschedule your appointment or change your test center location within 45 days, you must pay a fee to Prometric at the time you make the change. If you cancel your appointment within 45 days or do not test as scheduled, before you can schedule a new appointment, you must **call** Prometric at 1-800-853-6769 to pay a fee to reinstate your eligibility record. Refer to your Confirmation Notice for specific fee information.
3. **ELIGIBILITY PERIOD EXTENSION:** If you are unable to test within your eligibility period, contact NBME to inquire about a one-time, contiguous three-month eligibility period extension. A fee is charged for this service. Visit NBME's website for more information. If you do not take the test within your original or extended eligibility period and wish to take it in the future, you must reapply by submitting a new application and fee(s).
4. **PRACTICE SESSION:** To take a Practice Session at a Prometric Test Center for a fee payable to Prometric, register on the USMLE website, [www.usmle.org](http://www.usmle.org), using the Scheduling # and CIN from this permit. You will be issued a Practice Session Scheduling Permit within seven business days of registering. Upon receipt of your permit, you may contact Prometric to pay the fee and schedule an appointment.
5. **ADMISSION TO THE TEST CENTER:** You **must** bring this Scheduling Permit and an unexpired, government-issued form of ID (such as a driver's license or passport) that includes both your recent photograph and signature. **The name on your ID must match the name on this permit exactly.** The only acceptable differences are variations in capitalization; the presence of a middle name, middle initial or suffix on one document and its absence on the other; or the presence of a middle name on one and middle initial on the other. The name on your ID must appear in the Latin alphabet, i.e., in "English language letters." If the names on your ID and permit differ, contact NBME immediately. **You cannot make a name change or correction within seven business days of your scheduled test date.** If you are required to carry a Permanent Residency Card, be sure to bring it with you along with the other required form of ID as noted above.
6. **TEST DAY:**
  - **ARRIVAL:** Report to the test center 30 minutes before your scheduled appointment. You must sign in and your photograph will be taken. If you arrive later than your scheduled appointment, you **may not** be admitted. If you arrive **more than 30 minutes after your scheduled appointment**, you **will not** be admitted to the testing center.
  - **PERSONAL ITEM STORAGE:** You must place all of your personal items, including cell phones, pagers, watches, wallets, food, and beverages in a small locker. Pagers and cell phones must be turned off.
  - **TESTING:** The Test Center Administrator (TCA) will instruct you to write your name and CIN listed above on a laminated writing surface provided for making notes. You will enter your CIN into the computer at your workstation to initiate your exam and to resume testing after breaks. **Do not erase your name and CIN** from the laminated writing surface until the end of your test day.
7. **END OF TEST DAY:** The TCA will provide you with a printout that confirms you appeared for that day's testing session. Once you leave the test center, Prometric cannot reproduce the printout.
